Dear parents/carers,

Happy New Year to you all! What a great half term this is going to be.

Children and staff have come back after our Christmas break with renewed enthusiasm and we look forward to many more exciting learning opportunities this half term.

Reports and topic maps for the half term will be coming home this Friday and clubs begin next week. Please see the attached information. As we enter another new year, we keep in our hearts the peace and love that the coming of Christ has brought us. Christ gave us a set of values through The Beatitudes and we hold these very dear to our school ethos. We look forward to a successful and happy 2018.

### **Topics across school**

**Pre-School:** Winter Wonderland

**Pendle:** Green fingers and Fairy tales

**Parlick:** Big Bird Watch and Explorers

**Fairsnape:** Hunted-food chains and food webs

**Beacon:** Space

### Extra-curricular activities on offer throughout the school year

As you can see, we offer a broad range of extra-curricular activities for your children. For such a small staff team, it is incredible how much we offer. It is not always possible for clubs to run after school but we make sure we always fit enriching activities beyond our already creative daily timetable. UFA continues in KS2, with even more variety and choice.
