Summer Club at St.Francis' - Market Research

Dear Parent,

We are hoping to extend our school service for parents by providing a Summer club for the first two weeks of the Summer holidays. The club will be run by Miss Stewart and other members of school staff. Children would need to bring a packed lunch every day but snacks and drinks will be provided by school. The club can only run if we have a certain number of children but there is a possibility that we could open the club on days when the numbers were high enough to run. The cost of the club would be £25 per day for Reception-Year 6 children and £30 per day for Pre-School children. We hope to run the club every day from 8.30am-4.30pm.

We need to establish how many parents would be likely to use the service and ascertain whether or not this is a provision that would be needed. Please could you return this form at your earliest convenience.

Kind regards,
Miss Deakin
