

Mrs Davies Parlick Class 2018
Spring Term 2

P.E.

This term in P.E. pupils will be participating in invasion games. Pupils will learn attacking and defending skills in various ball sports such as football, netball and basket ball. Pupils will be developing their ball skills, coordination, agility and team work.

R.E.

Year 1: Following Jesus

Year 2: The Mass

Dates to remember:

P.E. Kit Day: Wednesday

Cobble Hey Farm Trip: Friday 22nd March

World book Day: Thursday 7th March

I.T:

Confident completing an activity on Purple Mash independently.

Use a programme to direct an object around a course using position and directions.

Art/Design:

Still life drawings of vegetables and fruits using a variety of media e.g. pastels, charcoal etc.

Mathematics

Throughout this term pupils will be learning;

- Division
- Addition and Subtraction
- Fractions
- Position and direction
- Time

The Farm Shop

D.T- Cookery

Pupils will enjoy a hands on experience of using food found in a farm shop to create a tasty product following a recipe and instructions.

Pupils will develop chopping, mixing, weighing, peeling and cutting skills in a fun interactive session.

Some yummy creations we will be making are; scones, smoothies, cereal bars and cakes.

Literacy

This term pupils will be looking at farm themed stories. Some of the stories we will be studying are: Adventures of Beatrix Potter such as Peter Rabbit and Jemima Puddle duck, Farmyard Hullabaloo, The pig in the mud and many more. Pupils will develop the following writing skills:

- Develop their narrative writing skills by creating their own animal adventure stories that have a familiar setting.
- Create a farm animal riddle booklet using their poetry skills.
- Write a set of instructions
- Use persuasive writing to create a poster / leaflet to advertise a real farm.
- Write a recount of our trip to Cobble Hey Farm and Gardens.
- Continue to develop punctuation, spelling and grammar to improve writing.

Science

This term pupils will have the opportunity to plant and grow their own vegetables and flowers.

They will learn what a plant needs to grow, where seeds come from and what plants need to grow healthy.

Pupils will also learn where food is sourced e.g. wheat, dairy, meat etc. and which animals supply food we eat e.g. eggs, cheese, milk etc.

We also have a trip organised to Cobble Hey Farm and Gardens.
