

Mrs Davies Pendle Class 2018  
Summer Term 2

Physical Development

Pupils will be learning athletics and developing control of a ball by kicking, throwing, catching and rolling. Pupils will be participating in our school's sports day event and use go noodle regularly in class. We have a special treat this term every weds 'Judo classes'.

R.E.

Reception: The Church  
Year 1: Miracles

# Oceans and seaside

Literacy

This term pupils will be developing their writing skills through stories about sea creatures in the ocean and life at the seaside. Some of the stories we will be reading are; Billy's bucket, Tiddler, Snail and the whale, Commotion in the ocean, and many more...

Year 1:

- Shape poems; recognising and identifying rhyming patterns and using alliteration to create a sea animal poem.
- Create an information booklet by using instructional writing skills about staying safe by the seaside, and building a sand castle.
- Write an ocean adventure story creating characters and imaginary setting.
- Suffix endings; -ing, -ed, -est, -ly.
- Be more confident with cursive writing.

Reception:

- Write a sentence independently, using finger spaces, capital letters and full stops.
- Know all phase 4 letter sounds and introduce phase 5 sounds.
- Include narrative in their own stories
- Write within lines and form letters clearly.
- Write lists, captions and labels.

Science

This term we will be investigating, 'What is a human?' Pupils will name, draw and label the basic parts of the human body and say which part of the body is associated with each sense; smell, taste, hearing, sight and touch. Pupils will recognise that humans are animals. They will compare and describe the similarities and differences in their own features.

Art/D.T

We will be exploring a variety of different materials such as: Collage, paint, environmental art, clay, and junk modelling. We are currently putting together our entries for the Longridge Art competition using recycled materials.

Mathematics

Throughout this term pupils will be learning;

Year 1:

- Time: Recap previous learning on half past and o'clock the hour. Pupils will measure and compare time taken e.g seconds, minutes, hours, days, weeks, months and years.
- Fractions: Be confident identifying  $\frac{1}{2}$ ,  $\frac{1}{4}$ ,  $\frac{3}{4}$  and a whole of a given shape or quantity.
- Money: Know the value of different denominations of coins and notes. Also solve addition/subtraction problems that involve money.

Reception:

- Introduce division by sharing objects into equal groups
- Solve doubling and halving problems.
- Practice Counting in 2's, 5's, and 10's and beyond 30.
- Pupils must know One more and one less than a given number 1-20.
