always try to do our best.'**

Family Mass Reminder

Dear families , friends and parishioners,

We are looking forward to seeing our wonderful school band and choir play and sing throughout Family Mass this Sunday (10th December). We will be playing a selection of Christmas songs and we are even finding room for the drum kit to be played!

We desperately need all children who play instruments and sing (the whole school!) to come to church for 10.15am as we will be sitting together near the front of church. Mr Warren will be coming on Sunday to lead the school band and choir in this very special service. The children are very excited to run stalls and join us for the Christmas Fayre after Mass in the school hall.

Mrs Hamer is holding a British Red Cross party for Syrian Refugees next Wednesday and there are little children aged between 2-8 years old who are in need of toys. Please can we help in collecting some more shoe boxes with any toys, gloves, crayons and anything else a little person would love this Christmas. You can drop them off at school or bring any to church on Sunday. Thank you.
