Attendance-a polite reminder

Please be reminded that it is very important for children to arrive on time at the start of every day. Lessons begin promptly at 9.00am- straight after register at 8.55am. If children arrive late, they miss the start of day teaching and input. This needs to be repeated to children, who then need to catch up, causing impact on the rest of the working groups.

We understand that sometimes circumstances cause us to be late but, when frequent, your child will be missing quality learning time and key concepts taught and reviewed over the week. Please do try to arrive on time.
