

Miss Woodcock Parlick Class 2019

Autumn Term 2

P.E.

This term in P.E. we have Preston North End coming and working with KS1. We will be looking at Games and understanding simple tactics. These include; travelling, ball skills, attacking and defending strategies.

R.E.

Year 1: Mary, Mother of God.

Year 2: Advent.

PSHE/HRSE

In PSHE/HRSE we will be looking at friendships and people who care about us. We will also be exploring anti-bullying week and Remembrance day.

Mathematics

Throughout this term pupils will be learning;

- 2D and 3D shapes and their properties.
- Fractions.
- Capacity & Volume.
- Money.
- Time.

Art & D.T.

- Experiment with charcoal and using different shades.
- Make a salt dough Christmas decoration.
- Creating a Poppy wreath for Remembrance day.

History:

This half term in History, we will be looking at the past and present. Linking to our topic in Science, we will see the differences and similarities in show sports have changed over time and how traditions have been kept.

Music

In music this half term we will be looking at the texture, tempo, timbre and structure of different music pieces and instruments.

We will also be learning and performing our songs for the nativity!

I.C.T:

- To continue to be confident navigating around Purple Mash.
- To look at how messages can be sent through a variety of electronic devices.
- To compose and send an email.

Literacy

- This half term we will be exploring traditional tales with a twist! The books we will be looking at include, Prince Cinders and The Paper Bag Princess. Alongside this we will be looking at how to write instructions and how to create our own fairy tales with a twist. Our writing will include,
- Year 1s to begin to become confident in using full stops and capital letters consistently.
- Year 2s using capital letters and full stops confidently and using other punctuation (exclamation marks, commas).
- Our hand writing to continue to try and be on the line and a consistent size.
- Of course we will be writing out Christmas cards and letters!

Science

Health and how we grow:

- The importance for humans of exercise, eating the right amounts of different types of food, and hygiene.
- Medicines can be useful when we are ill and harmful in other cases.

Animal survival and growth:

- That humans have offspring which grow into adults.
- Find out about and describe the basic needs of humans, for survival (water, food and air).
