

# Topic – Traditional Tales

We will be looking at Traditional Tales which will allow us to explore a range of wonderful stories. I appreciate going outside in the next few weeks is not possible, so I have selected this topic for its well-known stories and great opportunities for multifaceted learning.

Activity Village

Create your own story stones and use the stones to help explain a well-known story to your mum and dad. Maybe you could call up your relatives on the phones and tell them the story too, I am sure they would love it!

Write your own book review about your favourite school story! You can say if you did or did not like it, just make sure you explain why!

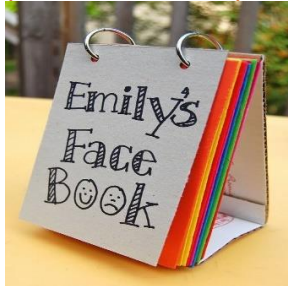

Choose your own! What can you think of together?

**Personal, Social and emotional Development.**

**Create your own face book. What emotions do you feel and why?**

**With help from your parents write an email to your loved ones. This might be to grandparents, older brothers and sisters that have moved away, uncles or close family friends. A fun way to use technology and make a connection with people.**

**Make a poster to show how you can be a good friend. How would you like to be treated? Make it beautiful!**

**Choose your own! What can you think of together?**

**Physical Development**

**Hand Washing - Record or make a poster to show others your brilliant hand washing technique.**

**Balloon keepy Uppy! Keep the balloon up using a different part of your body each time, how high can you go?**

**Dance party! Record and dance to your favourite song. You can make up your own moves to the song or follow the instructions - get boogying!**

**Choose your own! What can you think of together?**

**Literacy**

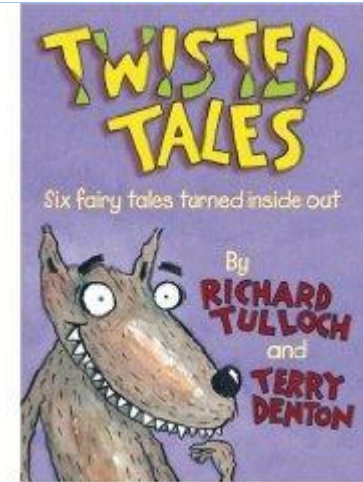

**Tricky word hunt! Hide tricky words around the house and go on a hunt! Use the tricky word mats and practice the words you find particularly tricky!**

**Chopped up sentence! Write out a sentence using phase 2/3 or 5 sounds and include tricky words. Chop it up, mix it and see if you can put it together!**

**Put a twist on a traditional tale and make a unique story. Pick your favourite tradition tale and go from there.**

**Choose your own! What can you think of together?**

## Mathematics

Create your own clock and experiment with O'clock.

Money is great for addition and subtraction and you could have a pretend store in the house or garden! Get them buying the loo roll - times are tough!

You will be exploring money! A good way to look at money is to think of each coin has pennies 'hiding' inside it. I would advice to go to 20p but experiment with it.

Choose your own! What can you think of together?

Expressive arts  
and design

Create your own shaving cream marbling painting! It is a brilliant hands on activity.

Papier mache your own Easter Egg.  
Make it look spectacular!

Create your own beanstalk and castle in the sky out of your junk or bits and pieces around the house. I will leave it up to your imagination how it looks, you cannot get it wrong!

Choose your own! What can you think of together?

Understanding of  
the world

Enjoy a virtual tour of Chester zoo! Draw the animals you see and label them.  
<https://www.chesterzoo.org/>

Plant your own seeds and record their growth in a diary. I would recommend growing cress but feel free to experiment!  
<https://www.amazon.co.uk/Toraf-Cress-seeds-Sprouts/dp/B06ZXWMWJF>

Create your own family tree and look at the similarities and differences over time.
