

Parlick Pick & Mix Homework Menu!

Topic – 'The Great Outdoors'

In the table, there are lots of different homework activities to choose from. Try and do as many of the others as you can and be creative! We will be sharing learning logs and celebrating them every week! Please make sure you have completed at least 1 homework per week.

<p>Create a weather diary for the week; was it hot, cold, raining?</p> 	<p>Go on a walk and write the directions you took using left and right.</p> 	<p>Go online to these websites for maths...</p> <p>https://www.prodigygame.com/ https://play.trockstars.com/auth/school/student http://www.mathgametime.com/math-games</p> 	<p>Ask a parent to test you on your spellings, challenge yourself by writing them in a sentence!</p> 
<p>Write out your 2x table up to 30!</p> 	<p>Read a story from Epic! Then summarise what the story was about.</p> 	<p>Re-write The Tale of Benjamin Bunny changing the setting.</p> 	<p>Create a tally chart on your families' favourite sport.</p> 
<p>Draw a picture of a landscape, this could be of your garden!</p> 	<p>Write a letter to a friend telling them what you did during your Easter Holidays, don't forget your conjunctions (and, but, so)</p> 	<p>Create a clock and ask a parent to challenge you to see if you can place the hands on the correct time.</p> 	<p>Go online to these websites for English...</p> <p>https://www.phonicsplay.co.uk/storylineonline.net https://www.getepic.com/sign-in</p> 

Make your own animal out of junk modelling and recycled materials.

Write a short poem about your favourite animal.

Create your own fact file about any animal! Wow me with an amazing fact.

Create your own game using aiming at a target, place something in your garden and see how many times you can hit it.

Make a word problem using the number 60. For example, I went to the shop and spent 60p...

Create a map of your house as if you were above looking down.

See if you can turn your poem about an animal into a song, be ready to perform to send on Seesaw!

Create a poster on recycling and why it is important for the environment.

Create a PowerPoint on your local area, can you find any interesting facts?

Create your own story on a familiar setting, for example an adventure in your house; do not forget your adjectives!

Create a table to compare materials, for example, liquids and solids. Use objects around your house.

Your own idea...
