

House by the Woods
Long Lane
Fairytale Land

Dear children,

My name is Little Red Riding Hood. I think you have heard a story about me and my grandma and now I would like your help. I have heard that you are really good at painting and I would like you to help me to decorate my house and my grandma's house with paintings of lots of things in my favourite colour. Do you know what my favourite colour is? It's red of course! I love things that are red; I have red ribbons in my hair, my favourite fruit is strawberries and I love wearing my red hooded cape!

What can you think of that is red? Could you paint some pictures for me? I would love to see them when they're finished!

Thank you for helping me!

Love from,
Little Red Riding Hood
